VISITING CARSON CITY

If you are up for a bit more history, you might make a stop in **Carson City** on the way back. The capital of Nevada has a nice old town. To reach the town center, as you are driving back from Virginia City, at the junction of Hwy 50 and I-580, continue straight onto E William Street. Follow the signs for **Downtown Carson City**. At the end of William, turn Left onto Carson Street (sign for Tahoe). The **Nevada State Museum** is 3 blocks on the right. A bit further along is the **State Capital** on the left, and then the **Nevada State Railroad Museum**. Note that Carson City is kind of beer brewing hub, so you will find several breweries in town.
